The Green Roof Cafe

Is dedicated to providing high quality food using the best local ingredients where possible.

We are members of
The Sustainable Restaurant Association
and believe that:

Food sits at the heart of our culture - it's not just what we eat that matters but how it's grown, made and served that makes for a truly satisfying experience.

Our World is made up of finite resources - be they fish, energy or water - we have a responsibility to future generations not to take more than our fair share.

We are what we eat so let's try to eat well.

We are open from 10am Monday to Friday and 9:30am at weekends, come and watch the seasons change at:
